Face & Body Rituals

AFTER SUN BLISS

Soothe and rejuvenate the skin after sun exposure with our luxurious after sun treatment. The treatment begins with a gentle cleansing of the body using warm towels, preparing the skin and promoting deep relaxation. A soothing Aloe Vera Gel Mask calms and refreshes the skin, while a gentle lymphatic facial massage enhances circulation and reduces puffiness for a sculpted, youthful look. We conclude with a soothing massage enriched with mango butter, leaving the body relaxed and the skin silky smooth.

SEA BREEZE ESCAPE

An ode to the surrounding elements, the Sea Breeze Escape treatment is as gentle as it is powerful. The journey starts with our luxurious Apricot Kernel Scrub, infused with pure apricot oil to deeply hydrate and reveal a radiant glow. This is followed by a Swedish full-body massage featuring the richness of nourishing karite butter, known for its intense hydration and skin repairing properties. We conclude with an Indian Head Massage, targeting the scalp, neck, and shoulders to leave you refreshed and revitalized.

DEEP ESSENCE RITUAL

Experience a transformative journey to restore balance and boost vitality to the body and skin. We begin with a gentle body exfoliation using natural loofahs and rich cleansing foam, lifting dead skin cells and leaving your skin smooth, soft and perfectly prepared for the treatments that follow. Relax into a full-body aromatherapy massage, which uses soothing oils to release tension, improve circulation and deeply hydrate, followed by a light Aegean facial to leave you a naturally healthy glow.

Body Rituals

ICE BATH RECOVERY

Discover the ultimate revitalization through the ice bath, an experience where the power of cold meets refined wellness. Immersion in icy water stimulates circulation, awakens the body, and clears the mind, creating a profound sense of renewal and balance. Within a space designed for tranquility and harmony, the ice bath becomes a ritual of re-connection. The initial intensity of the cold gently fades, giving way to an elevated feeling of well-being, energy, and mental clarity.

Duration may vary depending on your tolerance to cold.
